

# Yard Sale Volunteer Needs:

## **Volunteers Needed Saturday, 4/23**

We need help this Saturday to travel with the box truck to make pick ups. Right now (always subject to change) we have 9 stops. We have a couple of large things for sure, along with who knows what will be provided to us as we go from one location to another. This invitation is open to all. We are proud saying our church is open for everyone, and so is THIS invitation! We ask that you who volunteer meet at the church at 8:30 to do a little pre-work as we get ready to load the truck with hand trucks etc. once it arrives. We hope to leave the church at 9am to get the day started. It is suggested that you bring gloves and wear clothes that are geared towards working. Contact Horace Higgins at horaceh@thelegacycabinetcompany.com or at 770 641 9836

## **Volunteers Needed Day of Sale 4/30**

Reach needs volunteers to work at the yard sale on Saturday, April 30th. Many positions can be done while seated. Please call or email Bliss Peterson if you can help out at 678-662-0508 or blisspeterson@gmail.com.

## **Volunteers Needed for Signage**

We're looking for 4 teams of men (2 to a team is fine) that can help the week of the yard sale to be sign posters... basically put out the signage all over our community in designated areas. Help includes putting signs out from Wed through Sat morning, and help collect the signs at the end of the sale, so we keep our community clean. Based on clear weather we will put some signs out Friday night. However, we're anticipating the bulk will be placed Saturday starting at 6am. Each team needs 1 hammer & a hefty staple gun to do the job correctly. Contact Doug Wellens (678.462.5275 / dougwellens@hotmail.com) if you're interested in helping out with this extremely important mission.

Donations can still be dropped off up until the Yard Sale. The most important way you can help is spreading the word! Tell your friends, family, and neighbors to show up for some tasty food, cool treasures, and some fabulous hospitality!
